

ONE MORE TOUR WITH HONOR

2026

FLAG CITY HONOR FLIGHT

MAKE A DONATION

OUR MISSION

Flag City Honor Flight ensures that all Veterans, from World War II through Vietnam, have the opportunity to visit the memorials in Washington, D.C., honoring their service and sacrifices for America's freedom.

It is a privilege to honor our Veterans and share this very special day with them in our nation's capitol. With less than 66,000 World War II Veterans alive today, Honor Flight prioritizes flying them to see the monument dedicated to their service in our next flights. Our efforts then focus on Korean War and Vietnam War Era Veterans.

THANK YOU

This tribute to our Veterans would not have been possible without every one of you. Your generosity is helping bring another Veteran to the place that honors their service.

To the family members and friends of a Veteran or Guardian: **THANK YOU** from the bottom of our hearts.

To the volunteers who have given your time, talent, financial support, or in-kind gifts — **THANK YOU!**

And to the hundreds of people standing in salute of our brave Veterans throughout their journey — **THANK YOU!**

THE BIGGEST THANKS goes to our Veterans for their selfless sacrifice for our freedom.

ONE MORE TOUR... WITH HONOR.

TRUE NORTH HEADING

Our Mission: We believe that all Veterans should have the opportunity to visit the memorials in Washington, D.C. that honor their military service and the sacrifices they made for America’s freedom.

‘FLIGHT LINE’ OPERATIONS

Flag City Honor Flight is a 501(c)(3) nonprofit organization staffed entirely by unpaid volunteers and funded solely through donations. As a nonprofit, all funds raised are carefully regulated and placed into a general account dedicated to supporting Honor Flight trips. We receive no state or local government funding.

Volunteer Wings

The success of each flight depends on our enduring volunteers, who plan, coordinate, and carry out every aspect of the journey, and on community members who selflessly serve as Guardians—ensuring our Veterans have a safe, enjoyable, and truly unforgettable experience.

Community Lift

Community generosity provides the lift that makes every Honor Flight soar: from third graders saving every coin, donations from county fairs, grants from community foundations, events hosted by local lodges and military groups, fuel donated for our buses, support from local companies, to innumerable other acts of kindness.

FIRST BEARING

Flag City Honor Flight officially joined the Honor Flight Network® in 2010, formed to handle overflow from Toledo’s NWO Honor Flight, which stopped flying in 2014. Our chapter is now the only one to serve Veterans in Northwest Ohio, Southeastern Michigan, and beyond.

Many Veterans cannot make this pilgrimage due to physical hardships. Flag City Honor Flight makes this visit possible.

Since our beginning, we have taken more than 2,300 Veterans to Washington, D.C. to see their memorials.
